About QSC

Queens Space Conference
Spring 2024, Kingston ON

The annual Queens Space Conference is our marquee event, which attracted over 100 people last year. This time around it's going to be bigger and better than ever before.

For event sponsors, this is a unique opportunity to connect with like-minded individuals and business professionals because the Queens Space Conference is committed to:

Support for Space-related Initiatives

Community Engagement

Exposure to the industry

1 Making the event more connected than ever.
Our mission is to bridge the gaps in knowledge, foster collaboration, and spark innovation within the space industry. We're dedicated to bringing together experts, enthusiasts, and visionaries from around the world.

2 Brand visibility.
The QSC presents an opportunity for companies to enhance their visibility. With a plethora of ambitious students seeking to make their mark in the industry, sponsoring our event allows your company to tap into the pool of emerging talent.

3 Telling stories like yours.
By partnering with the QSC, you have the opportunity to share your story. Your story can serve as a beacon of inspiration for the next generation of students, while simultaneously increasing your brand exposure within the space community.

Purpose of event

The conference is centered around a series of exciting talks, innovative workshops, and networking opportunities. We strive to bring together industry professionals in order to provide delegates with the most informative, inspiring, and memorable conference possible. QSC is about sparking thought and idea-generation, raising awareness of the space industry, and piquing an interest in space for the future generation.

Each year, QSC focuses on a specific theme to organize our event around. The title for QSC 2024 is "A New World." The conference will focus on the space technology revolution, which includes satellites, robotics, AI, propulsion, and much more. Our hope is that the theme will draw delegates from diverse educational backgrounds, all of whom share a passion for space and an unrelenting thirst for knowledge.
